<b>Description</b>	COMINTEL CORPORATION BHD ("Comcorp" or "the Company") - Renewable Energy Power Purchase Agreement (REPPA) with Tenaga Nasional Berhad ("TNB")

The approval letter from SEDA Malaysia dated 4 May 2017 was received yesterday, 8 May 2017.

Comintel Green Technologies Sdn Bhd ("CGT") sought for an extension from SEDA Malaysia on 13 March 2017 as it was not able to meet the scheduled FiTCD fixed on 2 September 2016. The reason for the FiTCD extension was that the Company have encountered some technical issues with the material handling equipment of which Tenaga Nasional Berhad (hereinafter referred to as "TNB") was aware of. With the resolution of the technical issues of the material handling equipment, CGT have notified TNB that the plant is ready for test requirement process as per TNB's requirement. TNB has agreed to the Initial Operation Date on Thursday, 11 May 2017.

Barring any unforeseen circumstances, CGT should be able to meet the new extended FiTCD and the REPPA with TNB is expected to contribute positively for the financial year ending 31 January 2018.
